## BROKER - CARRIER CONTRACT

---

This Master Transportation Contract (hereinafter "Agreement"), effective as of \_\_\_\_\_, ("Effective Date") is made by and between Q SHIP USA CORP. (hereinafter referred to collectively as "Broker"), one or more licensed transportation brokers that control their Customer's freight and \_\_\_\_\_ (full carrier legal name) located in, \_\_\_\_\_, \_\_\_\_\_ (city, state), a licensed motor carrier authorized by Permit No. MC \_\_\_\_\_ that provides transportation and related services under contract (hereinafter "Carrier"), and their respective customers (hereinafter collectively referred to as "Customer").

The parties do hereby enter into this contract pursuant to 49 U.S.C. 14101 (b) for the purposes of providing and receiving specified services subject to specified rates and conditions, and under which the parties intend to waive certain rights and remedies permitted to be waived under the Interstate Commerce Act and all amendments thereto, including the ICC Termination Act, and Title 49 of the United States Code and all corresponding regulations, to the extent that any provision therein is inconsistent with any of the provision of this Contract. In consideration of the mutual promises and covenants set forth herein, the parties hereto agree as follows:

### GENERAL BUSINESS COVENANTS

- Term. The term of this Agreement shall commence on the Effective Date and shall continue thereafter from year to year until terminated by either party, with or without cause, on thirty (30) days prior written notice at any time and shall renew for successive one year periods without the proper notice by either party hereto.
- Independent Contractor. Carrier understands and agrees that Carrier is an independent contractor of Broker and that Carrier has exclusive control and direction of the work Carrier performs pursuant to this Agreement and each Tender Document. Carrier represents that it is registered with FMCSA as a motor carrier in interstate, intrastate, and/or foreign commerce and is in all respect qualified to transport freight as required by Broker. Carrier agrees to assume full responsibility for the payment of all local, state, federal and provincial payroll taxes, and contributions or taxes for unemployment insurance, workers' compensation insurance, pensions, and other social security or related protection with respect to the persons engaged by Carrier for Carrier's performance of the transportation and related services for Broker or the Customer, and Carrier agrees to indemnify, defend and hold Broker and Customer(s) harmless there from. Carrier agrees to perform the services under this Agreement in accordance with the highest standards of the industry, operating under its own authority, using its own employees and using its own tractor unit. Carrier shall be wholly responsible for performing the contemplated transportation and for all costs and expenses of such transportation, including, without limitation, costs and expenses of all Carrier's transportation equipment, its maintenance, and those persons who operate it. In providing services, Carrier represents and warrants that the driver(s) utilized are competent and properly licensed, and are fully informed of their responsibilities for the protection and care of the involved commodities.
- Compliance with Applicable Laws and Regulation. Under no circumstances is Carrier allowed to provide services under this contract if their safety rating falls to "unsatisfactory." Carrier warrants that (1) it is legally qualified to perform the contemplated transportation, (2) it does not have a "conditional" or "unsatisfactory" FMCSA safety rating, (3) maintains all applicable statutory and regulatory required insurance, and (4) it shall immediately notify Broker in writing of any adverse change in its safety rating or any suspension or revocation of its operation authorities. Carrier agrees to comply with all applicable provisions of any international, federal, provincial, state and/or local law, rules and regulations. Without limiting the foregoing, Carrier shall, at Carrier's expense, comply with all laws, rules and regulations (including, obtaining all permits and licenses) which are required for Carrier to provide Broker the transportation and related services under this Agreement. Carrier agrees not to accept a shipment from Broker if that shipment would require Carrier or any of its employees, agents or permitted subcontractors to exceed or violate any speed or safety law, rule or regulation.
- Solicitation of Broker's Customers. Carrier shall not during the term of this Agreement and for six (6) months following the termination of this Agreement, directly or indirectly, solicit the traffic of the freight between the origins and destinations that were first offered to Carrier by Broker (hereinafter "Brokered Traffic"). If Carrier transports Brokered Traffic other than for Broker during the term of this Agreement and for Twelve (12) months following the termination of this Agreement, then Broker shall be immediately entitled to a commission of fifty percent (50%) on the rates and charges received by Carrier on such Brokered Traffic.
- Successors and Assigns. This agreement shall be binding upon the successors and permitted assigns of the parties hereto. Carrier shall not assign this Agreement, or any part thereof, without the prior written consent of Broker.
- Venue and Choice of Law. The terms and conditions of this Agreement and the Tender Documents, including but not limited to Bills of Lading, Rate Confirmations, Proof of Delivery and the like, shall be governed by, and enforced in accordance with, the laws of the State of New York without regard to its conflict of laws rules, and any suit or action enforcing the terms and conditions of this Agreement and all Tender Documents shall be brought and adjudicated in the court of general jurisdiction for Kings County, New York. By the execution and delivery of this Agreement, both parties hereto consent to the exclusive jurisdiction of those courts. Each party hereto irrevocably waives any objection, including any objection to the

laying of venue or based upon the grounds of *forum non convenience*, which it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction in respect of this Agreement or any documents or instruments relating hereto. Each party hereto waives personal service of any summons, complaint or other process. Such process may be made by certified mail or by any other means permitted by New York state law.

7. Modification. No waiver, alteration or modification of any of the provisions of this Agreement, or any Tender Documents, shall be binding upon either party unless in writing signed by the duly authorized representative of the party against whom such modification is sought to be enforced. Carrier agrees that Carrier's rules tariff(s), circular(s) or other publication(s) are not incorporated into this Agreement or any Tender Document. Any printed provisions on the reverse side of Carrier's forms shall be deemed deleted.

8. Savings Clause. If any provision of this Agreement or any Tender Document is held to be invalid, the remainder of the Agreement or the Tender Document shall remain in full force and effect with the offensive term or condition being stricken to the extent necessary to comply with any conflicting law. Carrier agrees that the termination, breach or invalidity of this Agreement or any Tender Document does not cause Carrier's rules tariff (s), circular(s) or other publication(s) to govern the transportation and related services that Carrier provides to Broker or its Customers.

9. Waiver. No provision of this Agreement or any Tender Document shall be waived by any party hereto, unless such waiver is written and signed by the authorized representative of the party against whom such waiver is sought to be enforced. Waiver by either party of any breach or failure to comply with any provision of this Agreement or any Tender Document by the other party shall not be construed as, or constitute, a continuing waiver of such provision, or a waiver of any other breach of or failure to comply with any other provision of this Agreement or any Tender Document.

10. Notices. All notices required by or related to this Agreement shall be in writing and sent to the parties at the addresses set forth below and shall be deemed given when personally delivered, by confirmed facsimile, or three (3) days after having been mailed by certified mail, return receipt requested to the following addresses:

All of Broker's and Customer's claims and rights are specifically preserved and shall be superior to any such assignee's, factor's or creditor's rights or claims to payment, regardless of any notice to Broker or Customer to the contrary. Carrier shall notify any such factor, secured creditor or assignee of Broker's and Customer's rights in this regard.

14. Miscellaneous. This Contract may be executed by facsimile and in one or more counterparts and each of such counterparts shall, for all purposes, be deemed to be an original, but all such counterparts shall together constitute by one and the same instrument. In the event either party incurs attorney's fees, costs or expenses in enforcing any of the provision of this Contract, or in exercising any right or remedy arising out of any breach of this Contract by the other party or their agents, subcontractors or representatives, the prevailing party shall be entitled to an award of attorney's fees, costs and expenses against the defaulting party.

## **INSURANCE & LIABILITY**

15. **Insurance.** Carrier, at Carrier's expense, shall maintain during the term of this Agreement commercial automobile liability insurance for the benefit of Broker and Customer, covering all vehicles however owned or used by Carrier to transport Broker's shipments and property damage arising out of Carrier transportation under this Agreement, with minimum limits of not less than \$1,000,000 (one million) per occurrence for personal injury (including death) and property damage, cargo liability insurance with minimum limits of not less than \$100,000 (one hundred thousand) per shipment, and if requested by Broker, commercial general liability insurance of One millions dollars (\$1,000,000) per occurrence. The Carrier shall also maintain any insurance coverage's required by any government body including worker's compensation (if applicable) for the types of transportation and related services specified. If Carrier fails to maintain such insurance, Broker may do so and charge Carrier for such cost and offset in accordance with this Agreement.

16. **Cargo Liability.** Carrier assumes liability as a common carrier for loss, damage to or destruction of the goods entrusted to it or its permitted subcontractor's care, custody or control and shall provide evidence of a BMC-32 Endorsement upon request. Carrier shall indemnify Broker for all indirect, special or consequential damages, or other special economic losses, including lost profits that might be awarded against Broker on any claim. Carrier shall pay to Broker, or it shall allow Broker to deduct from the amount Broker owes Carrier, for Customer's loss for the commodities so lost, delayed, damages or destroyed and the amount of any indemnity, as stated above. Carrier shall not allow any of the goods tendered to Carrier to be sold or made available for sale or otherwise disposed of in any salvage markets, employee stores or any other secondary outlets without Broker's prior written consent. ## **SERVICE**

19. **Performance of Services.** Carrier agrees to meet Broker's distinct transit and pricing requirements agreed to by the parties from time to time after the Effective Date as confirmed by the Broker's issuance of a Tender sheet, Pre-note, Rate Confirmation, Bill of Lading, Proof of Delivery or other load tender document that Broker may use from time to time (hereinafter "Tender Document"). Additional service requirements of Carrier are as follows:

- Carrier shall transport Broker's shipments without delay. Carrier shall immediately notify Broker of any likelihood of delay. Carrier shall transport all freight tendered by Broker only on equipment operated under Carrier's authority.
- Carrier shall comply with all of Broker's reasonable shipping instructions communicated to Carrier, and to comply with all applicable provisions of any provincial, federal, state and/or local law or ordinance and all lawful orders, rules and regulations issued thereunder.
- Carrier shall obtain from the consignee a complete, signed delivery receipt for each shipment, and it shall notify Broker immediately of any exception on any document. Carrier shall send Broker delivery receipts and bills of lading within twenty-four (24) hours of delivery, as Broker directs.
- If Broker requests Carrier to transport any shipment required to be placarded under DOT rules as a hazardous material, the additional provisions in Appendix A, including additional insurance requirements, shall apply for each such shipment.

Carrier shall submit to Broker the original signed bill of lading evidencing good delivery of the goods, unless otherwise specifically agreed by Broker; and in that case, Carrier shall maintain custody of the original signed bills of lading and will provide them to Broker upon request. If Carrier fails to maintain and provide the bills of lading as agreed, Carrier assumes all risk of loss resulting from the failure to prove good delivery. In the event that Carrier's personnel are not allowed or afforded an opportunity to view and/or examine the good in order to ascertain the condition of those goods prior to loading on to Carrier's vehicle, Carrier's personnel shall immediately notify Broker and await instructions prior to transporting the shipment, and shall note on the bill of lading that they were not allowed or afforded an opportunity to view and/or examine the goods shipped.
